

Imaging Services

Store more documents, in less space.

Consider It Done.™

If your firm needs to get a better handle on its document handling and storage, GLC Business Services is here to help make the process simple. From digital capture and storage, to indexing and filing, you'll have instant, secure electronic access to all of your information—without the time- and space-commitment.

GLC Delivers.

- Log, prepare, scan and reassemble your documents
- Maintain documents in an electronic storage and retrieval system
- Capture images properly to ensure quality and easy access
- Simplify the way you store and retrieve information
- Reduce on-site and off-site storage costs
- Improve utilization of off-site records
- Save your firm time and money

Our Expertise. Your Advantage.

With the right strategy, our full complement of support services can transform your day-to-day operations.

Keeping
you ahead
of the game.

We evaluate and monitor your technology, equipment, and price points on an ongoing basis—if there's a way to deliver a better, more cost-effective solution, we'll find it.

Whatever. Whenever.
It all adds up to the GLC difference.
