Consider It Done.™

GLC Business Services is dialed-in on day-to-day office supply management and inventory control. You no longer have to worry about ordering supplies or keeping up with new products. We ensure that you always have what you need: a lower cost option.

GLC Delivers.

- ◉ Establish inventory control processes
- ◉ Determine and maintain re-order points
- ◉ Manage cost increases using large-volume purchasing power
- ◉ Maintain on-site distribution and control
- ◉ Manage shipment and invoice auditing and confirmation
- ◉ Analyze and create strategic systems for overall usage and cost management
- ◉ Use vendor relationships to negotiate the best prices

Our Expertise. Your Advantage.

With the right strategy, our full complement of support services can transform your day-to-day operations.

Keeping
you ahead
of the game.

We continually monitor the entire ordering process to discover ways to trim expenses—if there's a way to maintain consistently lower costs and save space, we'll find it.

Whatever. Whenever.
It all adds up to the GLC difference.
